

MERCEDES SPRINTER

---

**URBAN EDITION**

## A luxury van for the most demanding travellers

Expressive and exclusive – this is what the Sprinter Urban by Carlex Design is like. The Urban Edition has been made to impress with its unique exterior styling and to provide maximum comfort and sense of luxury with a new and elegant interior.

Each Urban Edition vehicle features a Limited Edition plaque with an individual number.

## Body kit

The Urban Edition comprises a brand new and stylish exterior conversion pack: a front bumper, side sills, and styling stickers.

• SIDE SILLS

• FRONT BUMPER

## Interior

---

The Urban Edition interior has been totally remade to meet the needs of the most demanding customers. It has been padded with top quality nappa leather and decorated with inserts and embossed motifs. The headlining has been trimmed with Alcantara® and features subtle ambient lights.

## A spot of sporty elegance

---

The driver's cabin is both sporty and lavish thanks to the reshaped seats trimmed with black plain and perforated leather.

## Steering wheel

---

The new shape of the Urban Edition steering wheel and its stylish leather cover make the driving experience a real pleasure.

## Exclusive and custom-made

The passenger area is an absolutely unique element of the Urban Edition. It features Carlex Design Bus Floor System, which allows for the change of the van passenger area into a lavish and comfortable interior, perfectly adjusted to the customer's needs. Our versatile system comprises a state-of-the-art floor padded with carpet, enabling for numerous set-ups of seats and tables, luxury leather-trimmed Carlex Design seats, and a table with independently folded counters. It will all make passengers feel cosy and comfortable.

## Carlex Design passenger seats

---

The lush and plush passenger area has been equipped with chic and comfortable seats trimmed with leather and decorated with embossed motifs. They have a backrest adjustment system, comfortable armrests, a revolving base, and a convenient slide system of the seats in the rails along the floor. They will make even the longest journeys really enjoyable.
